TERMS & CONDITIONS OF SALE

All orders are deemed to have been made by the Buyer and accepted by AHI Carrier (NZ) Ltd upon these Terms and Conditions of Sale, varied only by the terms of any quotation by AHI Carrier (NZ) Ltd which preceded any such order or by any express written terms agreed at the time of the order. In particular, any term of condition contained in the Buyer's order which is inconsistent with or qualifies or is contrary to these Terms of Trade shall be of no effect unless that term or condition is expressly accepted in writing by AHI Carrier (NZ) Ltd. AHI Carrier (NZ) Ltd's standard Terms and Conditions of Sale are:

1. **VALIDITY**
 - 1.1. Any offer to purchase shall not be binding on AHI Carrier (NZ) Ltd unless AHI Carrier (NZ) Ltd by its duly appointed officer accepts such offer in writing. The Buyer expressly waives any liability of AHI Carrier (NZ) Ltd to communicate its acceptance of any such offer to the Buyer.
2. **PRICE**
 - 2.1. Where this contract of sale was preceded by a quotation from AHI Carrier (NZ) Ltd, the prices quoted and applicable hereunder are based on manufacturer's list price and/or cost of labour and raw materials, exchange rates, freight rates, insurance rates, and customs and GST rates ruling, as far as can be ascertained, at the time of quotation. Any variation, including the standard AHI Carrier (NZ) Ltd margin thereon, shall be payable by the Buyer. In the absence of a prior quotation, AHI Carrier (NZ) Ltd's prices are subject to alteration without notice and the price payable by the Buyer shall be the price ruling at the time the goods or equipment are delivered to the Buyer or the services performed for the Buyer by AHI Carrier (NZ) Ltd. All prices are exclusive of GST, which is payable by the Buyer.
3. **VARIATIONS / MODIFICATIONS**
 - 3.1. If additions or modifications to the goods and/or services quoted or ordered are requested by the Buyer and accepted by AHI Carrier (NZ) Ltd then the quotation or order will be adjusted to such extent as may be necessary having regard to the nature and extent of such additions or modifications but, subject thereto, all other conditions of the quotation or order shall continue to apply.
4. **DELIVERY**
 - 4.1. AHI Carrier (NZ) Ltd will use all reasonable endeavours (subject to availability) to make the goods or equipment available or effect performance of the installation or services at the time requested by the Buyer but will not be liable for any loss or damage whatsoever incurred by the Buyer by reason of any delay in or failure to deliver by that date.
 - 4.2. The Buyer shall not be entitled to cancel the contract as a result of delays arising out of or attributable to any cause beyond AHI Carrier (NZ) Ltd's control and availability/performance times shall be extended accordingly.
 - 4.3. AHI Carrier (NZ) Ltd may make goods or equipment available on an instalment basis with each instalment constituting a separate order with the price being payable accordingly. Delays in respect of any instalment shall not entitle the Buyer to cancel the contract as in any remaining instalments.
 - 4.4. AHI Carrier (NZ) Ltd shall be entitled to make goods or equipment available before the time requested by the Buyer.
 - 4.5. Unless otherwise expressly agreed in writing by AHI Carrier (NZ) Ltd, the company's delivery obligations shall be limited to making goods or equipment available at AHI Carrier (NZ) Ltd's premises.
 - 4.6. No claim for any discrepancy or shortage in the goods delivered in or for any damage thereto will be admitted unless it is made in writing to AHI Carrier (NZ) Ltd within 48 hours of delivery.
 - 4.7. If the Buyer cannot or will not accept delivery at the requested date or at an extended date as agreed to by AHI Carrier (NZ) Ltd, the Buyer shall make payment to AHI Carrier (NZ) Ltd no later than twenty (20) days after the end of the month in which the Buyer had originally requested delivery. Further, the Buyer shall pay on demand to AHI Carrier (NZ) Ltd any storage charges incurred by AHI Carrier (NZ) Ltd for the goods from the day following the date on which delivery was to be made until the date on which the goods are dispatched to the Buyer.
5. **PAYMENT**
 - 5.1. The purchase price for the equipment shall be due and payable by the Buyer immediately upon receipt of invoice unless AHI Carrier (NZ) Ltd shall advise otherwise, in which case payment shall be due to AHI Carrier (NZ) Ltd shall direct. A direct debit by AHI Carrier (NZ) Ltd of standard credit terms shall require payment on the 10th of the month after invoice. Any payment not paid on the due date shall (at AHI Carrier (NZ) Ltd's option) incur interest at the rate of 2.5% per month or part month. Any expenses, disbursements and legal costs incurred by AHI Carrier (NZ) Ltd in the enforcement of any rights contained in this contract shall be paid by the customer.
 - 5.2. Unless otherwise specified all prices stated or quoted by AHI Carrier (NZ) Ltd are exclusive of Goods and Services Tax, duties and imports and insurance costs, freight and handling charges. Accordingly there shall be added to the price such amount as may be necessary to discharge any liability incurred by AHI Carrier (NZ) Ltd in respect of any such expenses, taxes or payments.
 - 5.3. Where products equipment and/or services are supplied overseas, all monies due by the Buyer shall be paid in New Zealand currency at the rate of exchange ruling at the time of payment.
 - 5.4. The Buyer may claim progress payments if quoted works are delayed or extend beyond one calendar month from commencement of the work.
 - 5.5. The Buyer shall not be entitled to withhold payment or make any deductions from the contract price without the prior written consent of AHI Carrier (NZ) Ltd.
6. **AHI CARRIER (NZ) LTD LIABILITY**

 - 7.2. Any licence, permit, certificate or approval required to enable AHI Carrier (NZ) Ltd to install the products shall be obtained by the Buyer.
